

Remarks

With this supplemental amendment, Applicant canceled claims 1 and 3-8 from the present patent application. Applicant is not conceding in this application that claims 1 and 3-8 are not patentable over the prior art cited by the Examiner. Accordingly, this amendment is made without prejudice. Therefore, Applicant reserves the right to pursue these and other claims in one or more future patent applications that can claim priority to the present patent application such as a continuation and/or divisional patent application. Applicant requests further examination and reconsideration of the present patent application in view of the supplemental amendment.

If the Examiner has any questions regarding the present patent application, the Examiner can call Applicant's attorney, David C. Goldman, at telephone number (518) 449 0044.

Respectfully submitted,

/David C. Goldman/
